Secura

luxury vinyl sheet flooring

Inspiring interiors for modern living

Make your house a home with the authentic designs and welcoming comfort of Secura. Combining influences from natural textures like wood and stone through to contemporary modern living materials, the Secura collection has been developed to enhance your home's interior using authentic patterns and inspiring designs, whilst giving you the practicality and durability that comes from luxury vinyl sheet flooring.

The Secura collection has been designed to be used in every room in your house. Innovative maintenance technology, together with an eclectic array of traditional and contemporary designs gives you a finish that you can be proud of, and will enjoy for years to come.

20 YEARS Guarantee

All of the designs in the Secura collection are guaranteed to stay looking incredible for up to 20 years.

Designed for living

Achieving a high design finish in your home's interior can sometimes mean compromising on other features including durability, comfort, and an easy maintenance regime. The results can be timely and costly, something a modern household cannot afford.

That is why the Secura collection has been developed to withstand the demands of a busy household, whilst bringing you inspiring designs and authentic finishes.

UltraComfort™
Soft Underfoot

The addition of a soft-backed layer provides warmth and comfort underfoot, plus aids in reducing noise between rooms

SureTread™
R10 Slip Resistance

Secura's hard wearing R10 level slip resistance helps to prevents slips in the home, keeping you and your family safe

CleanShield™
Easy Clean Surface

The unique polyurethane reinforcement (PUR) in Secura provides a surface that helps to prevent stains and scuff marks, reducing cleaning time and costs

Secura
luxury vinyl sheet flooring

Wood

Accurately reflecting the natural warmth and beauty of wood, the Secura collection includes traditional rustic timbers through to clean modern planks, with texture added to each design to give a truly authentic finish.

Alabaster Elm

Alabaster Elm 2123

100 x 16.6cm

Inspired by the natural beauty of elm, the pale yet striking hues of each plank within Alabaster Elm together with the beautifully recreated grain, knots and timber variations gives this traditional wood a contemporary and fresh look, ideal for any modern living space.

UltraComfort™
Soft Underfoot

The soft-backed layer provides both warmth and comfort underfoot, whilst reducing the noise transmitted between rooms to give you peace of mind.

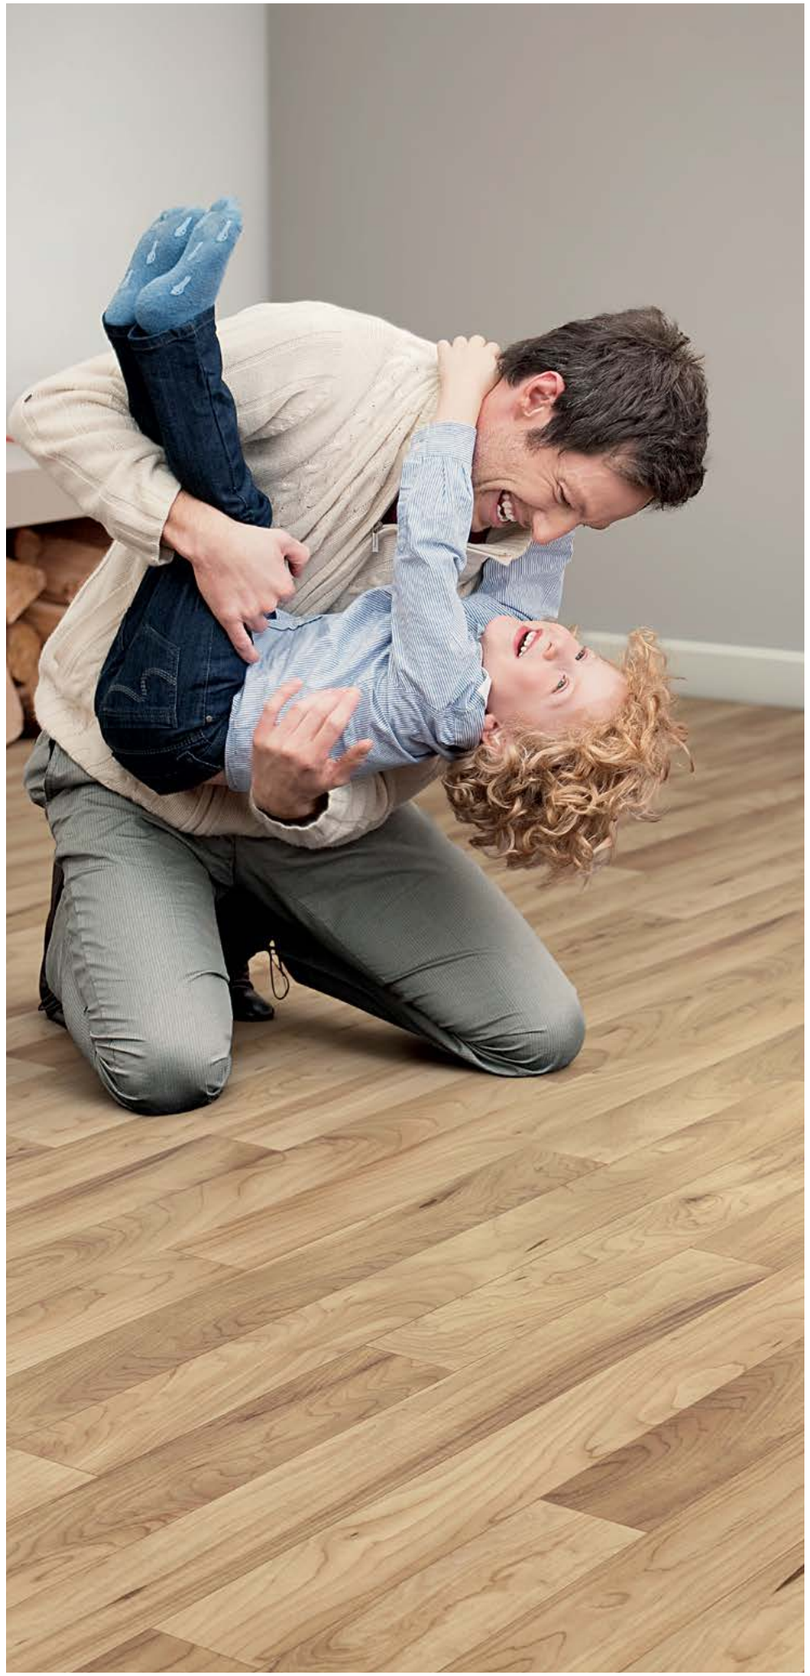
For more interiors see www.polyfloratheme.com/secura

Aspen 2124

100 x 10cm

SureTread™
R10 Slip Resistance

For those households looking for a floorcovering with a real sense of style that retains the welcoming feeling associated with wood, Aspen is an ideal design. With its warm cream hues and slender linear patterning, Aspen helps to evoke a calming and restful sensation in any room, whilst appealing to modern, more contemporary interiors.



Norwegian Maple 2125

100 x 8cm

Influenced by the light, fresh tones of Norwegian Maple, this wood pattern is designed to create a relaxed, serene interior. Encompassing fluid grain patterns with warming tones, the varying gold hues between each plank creates a natural, realistic feel intended to reflect the simplicity and sense of style typical of the Nordic region.

Natural Oak 2126

100 x 20cm

The exceptional beauty of this oak design speaks for itself. The untreated decoration of Natural Oak brings out the authentic character of the wood, complemented by pale honey tones to create a sense of warmth and depth.

Blond Oak

Floorcare tip

Fit protective pads to all furniture legs to prevent scratches when moved across the floor

Blond Oak 2127

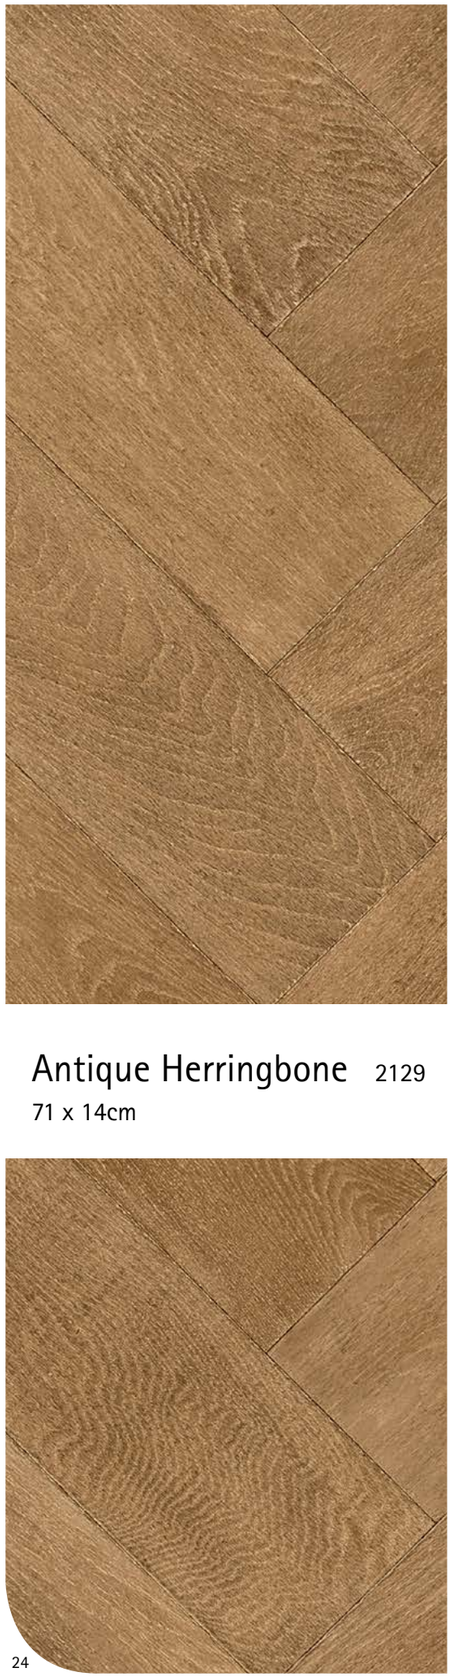
150 x 20cm

The striking plank size and detailed grain patterns within the Blond Oak design help to create a stylish, sophisticated floorcovering that is truly eye-catching. The natural oak shades and timber variations, given a reclaimed rustic twist, bring the wood's character to life and provides the perfect base for any room.

Golden Oak 2128

100-50 x 6.25cm

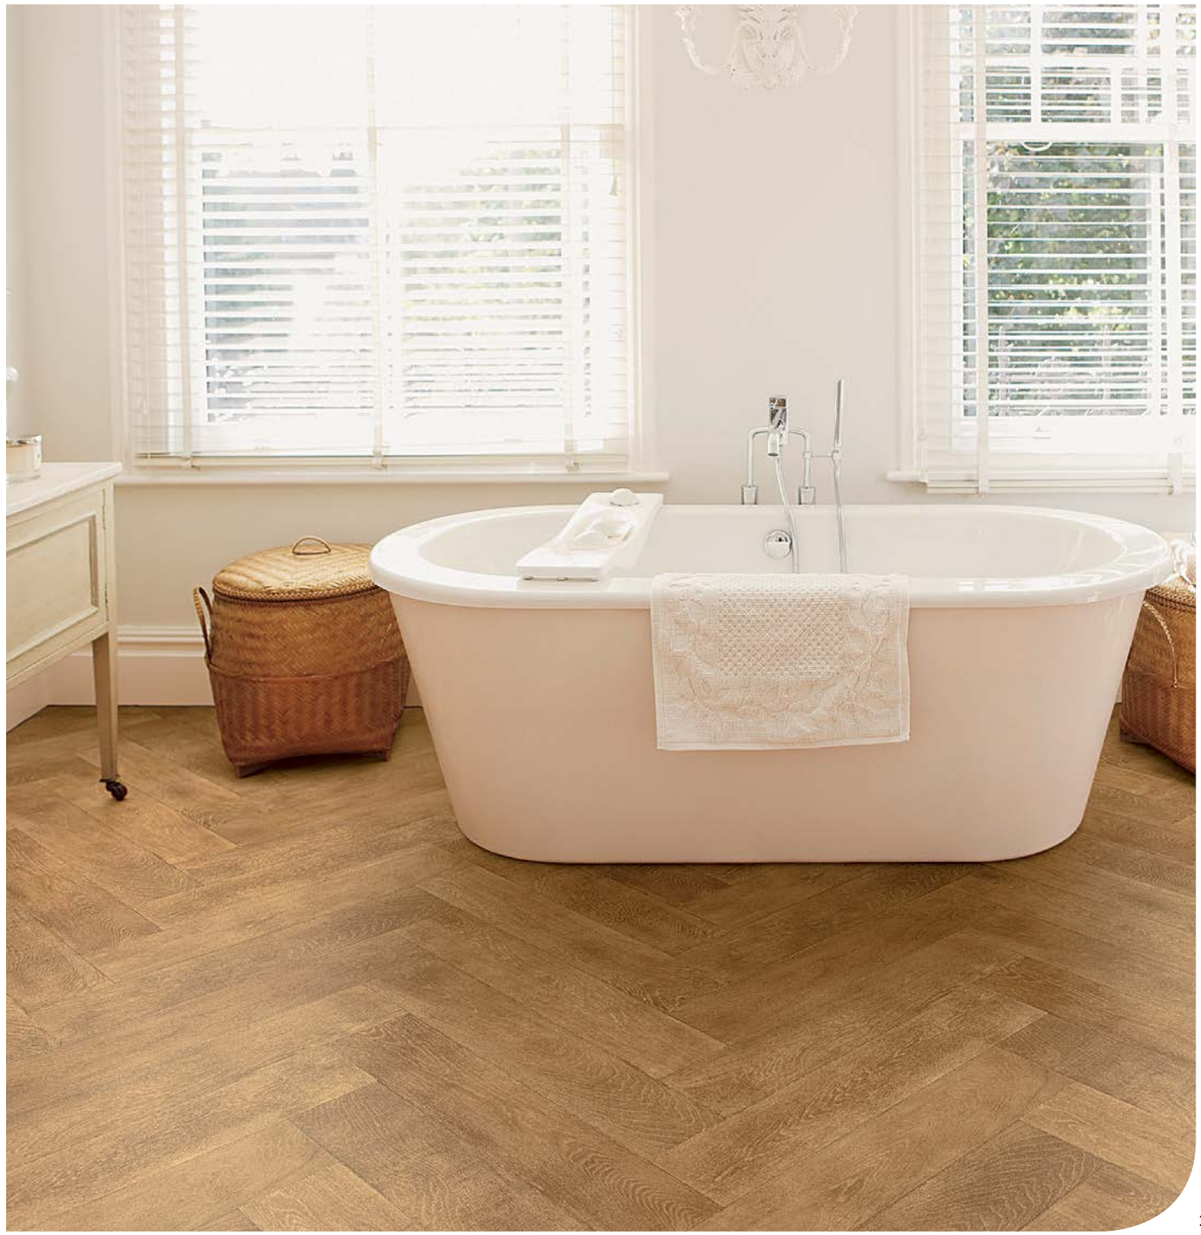
Encapsulating a variety of deep warm honey tones within a slim plank design, Golden Oak reflects the same grain and tonal variations found in real oak flooring. The subtle contrasting hues give this more traditional wood pattern a stylish finish for a practical yet sophisticated appearance.



Antique Herringbone 2129

71 x 14cm

The Antique Herringbone design is a perfect representation of a classic floorcovering, once exclusively found in traditionally styled homes but now seen in more contemporary settings. The light tan hues and hazelnut tones give Antique Herringbone a rustic feel, and the rougher grain and knots have been faithfully reproduced.



Country Oak 2130

150 x 20cm

The heavy rustic wood pattern and rich cinnamon and caramel tones of Country Oak brings the character of this classic wood to life. The wider plank design gives the natural beauty of this wood pattern real presence, creating a striking and attractive base for more traditional interiors.

Antique Oak

Floorcare tip

Sweep or vacuum your floor to remove any dust and loose dirt

SureTread™
R10 Slip Resistance

Antique Oak 2131

150 x 20cm

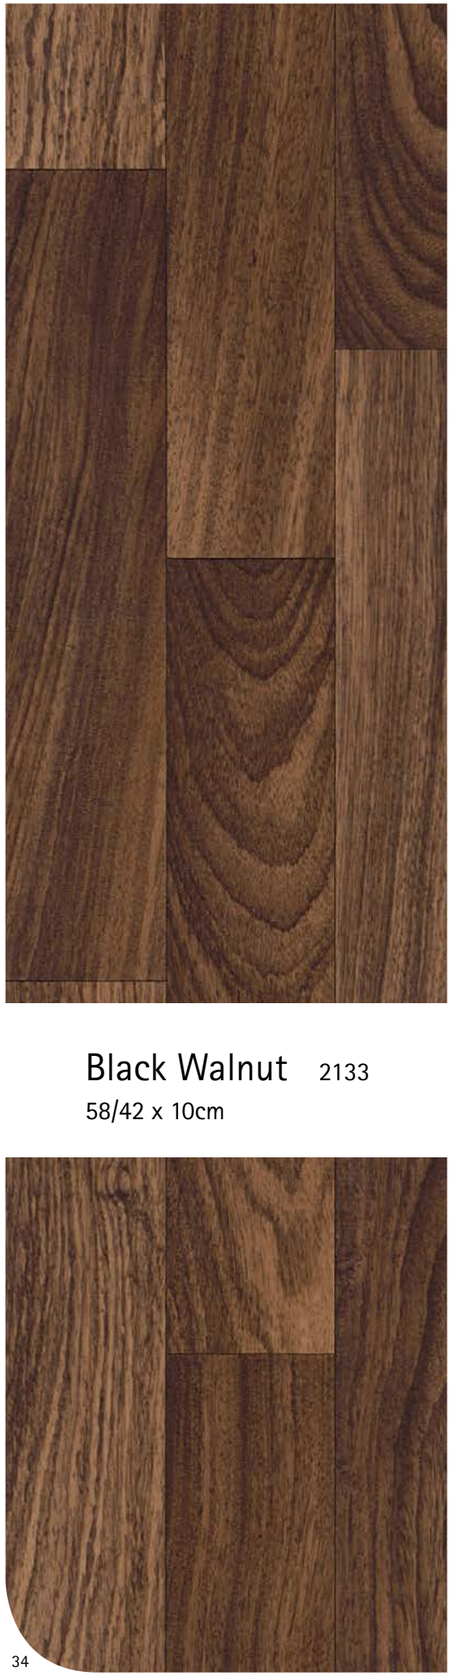
The extraordinary detail and realism of Antique Oak is truly exceptional. Natural rustic timber grains and varying dark chocolate tones evoke a sense of style and class, and the striking wide plank design further enhances the overall effect.

Sweet Chestnut 2132

60-40 x 10cm

The intricate combination of auburn, red and chocolate hues within each plank enhances the natural beauty of this traditional hardwood. Striking yet elegant, Sweet Chestnut has been expertly replicated in this classic wood design to enhance stylish and sophisticated interiors.

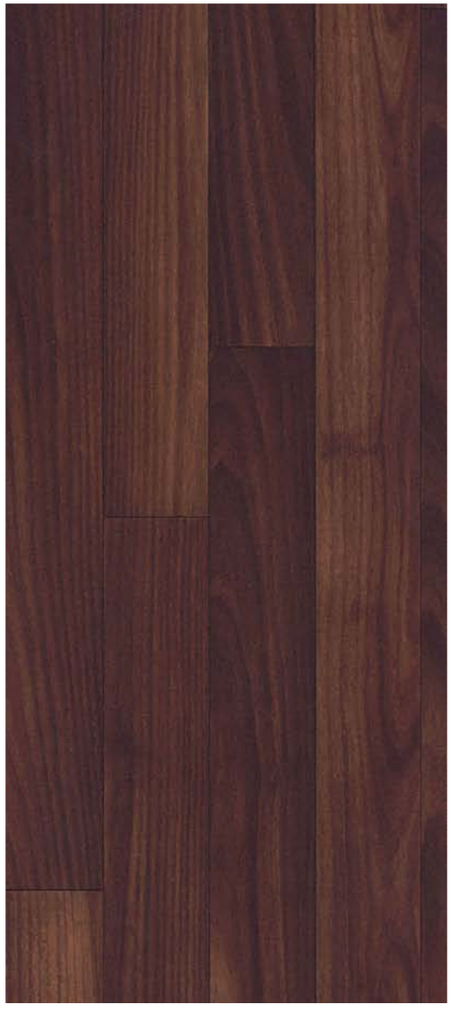
For more interiors see www.polyflorathome.com/secura



Black Walnut 2133

58/42 x 10cm

The dark, velvety coffee tones and accentuated grain of Black Walnut, gives this design a distinct quality and character suited to high-contrast modern interiors. The slimmer plank width and intricacy of the design creates an ultra-realistic appearance, complemented by the authentic surface texture.



African Mahogany 2134

100-50 x 6.25cm

Traditional both in style and appearance, African Mahogany provides a practical yet striking floorcovering ideally suited to contemporary settings as well as classically styled interiors. The rich chocolate tones and linear grain of this renowned wood pattern have been beautifully recreated, and the slimmer plank design creates attractive and stylish contrasts.

For more interiors see www.polyflorathome.com/secura

Ebony 2135

100 x 10/15cm

With echoes of charcoal grey hues, this contemporary Ebony wood design when contrasted with more neutral furnishings and wall colours, brings any modern living space right up-to-date. The accurate representation of heavy timber grains, knots and contrasts between planks makes this a striking yet stylish floorcovering.

Secura
luxury vinyl sheet flooring

Stone

Few things evoke a sense of luxury like stone flooring in an interior. Each of the examples included in the Secura stone collection have been elegantly designed using natural rock formations to further enhance your home's interior.

Yorkstone

Floorcare tip

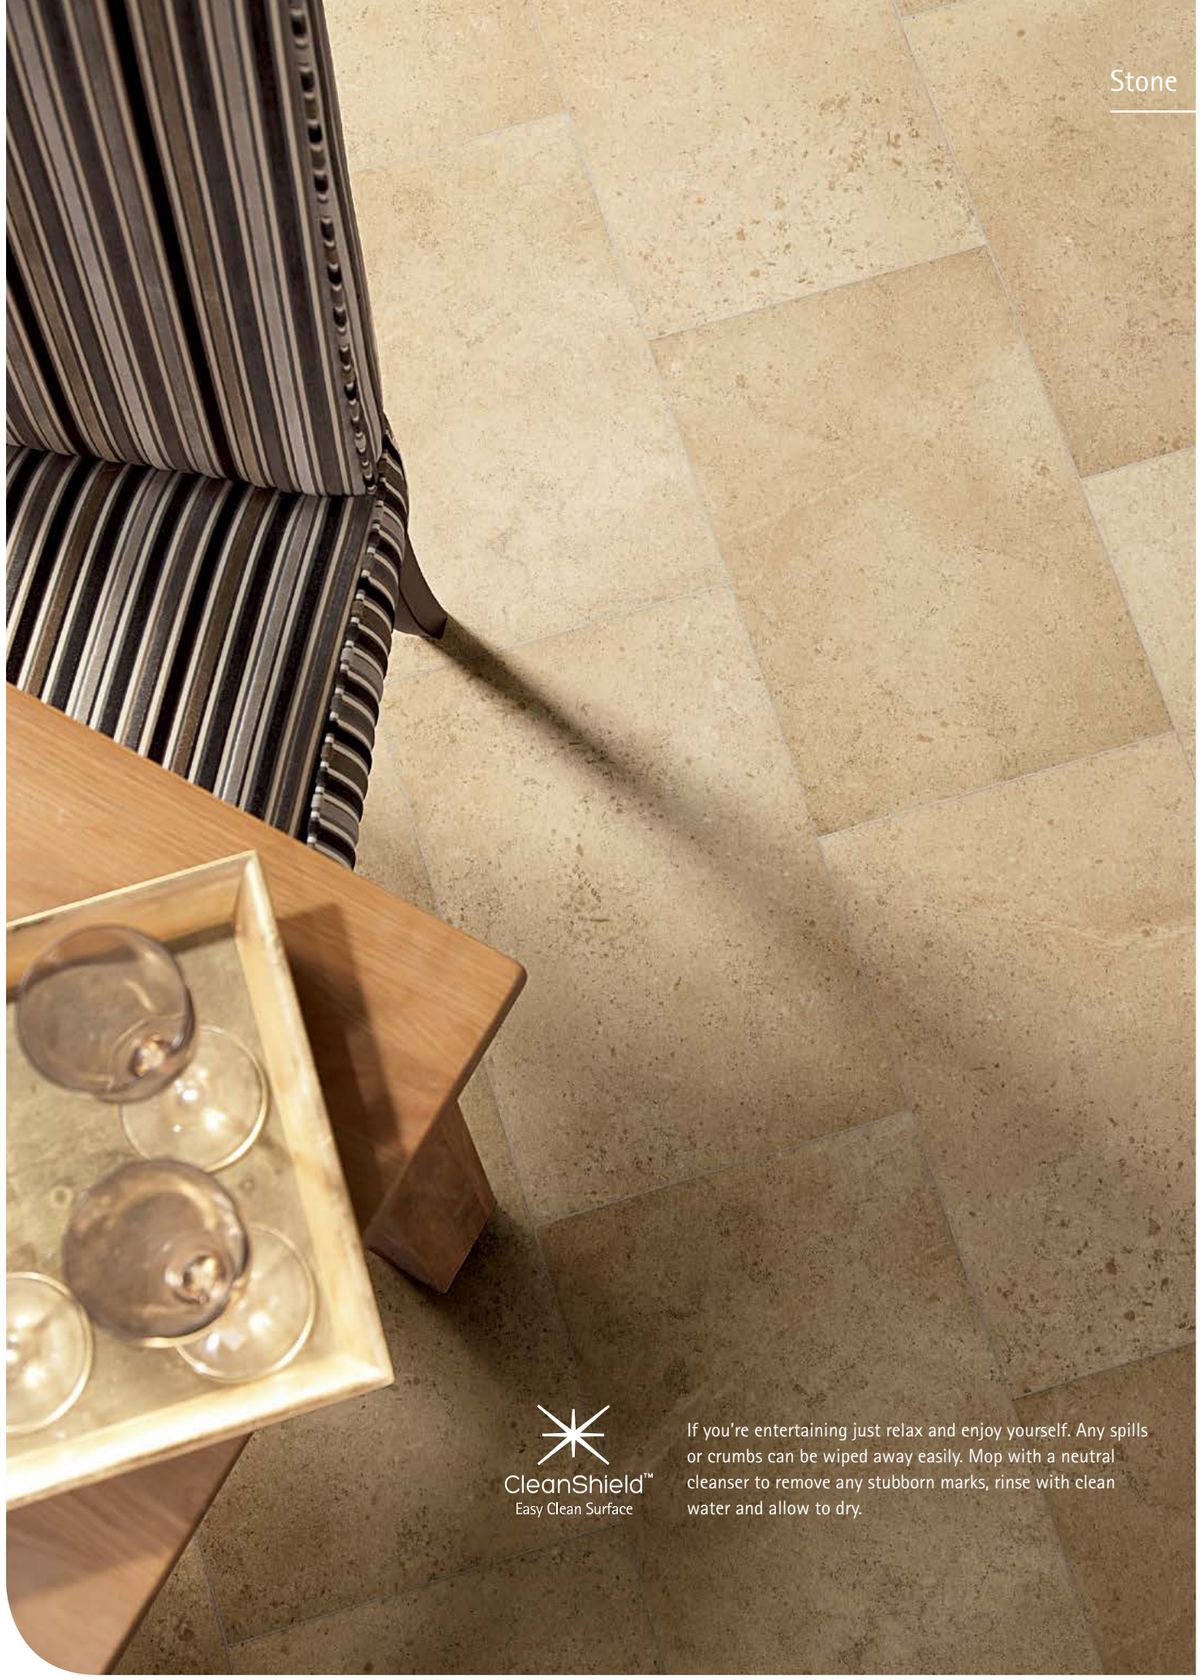
Ensure all cleaners and detergents are diluted as per the manufacturer's instructions.

UltraComfort™
Soft Underfoot

Yorkstone 2110

50 x 33.3cm

The traditional tight grained finish and variable mineral tones of classic Yorkstone have been beautifully reproduced in this stone design. Bringing together realistic stone hues and natural rock formation patterns, Yorkstone provides a practical yet striking floorcovering suited to both clean and contemporary setting as well as classically styled interiors.



CleanShield™
Easy Clean Surface

If you're entertaining just relax and enjoy yourself. Any spills or crumbs can be wiped away easily. Mop with a neutral cleanser to remove any stubborn marks, rinse with clean water and allow to dry.

For more interiors see www.polyflorathome.com/secura

Seeking inspiration from natural rock and stone formations, the classic Limestone styling of this contemporary floorcovering provides the perfect base for any modern household. The subtle detailing and tonal variations replicate the appearance of natural Limestone, whilst remaining fresh and clean.

Limestone 2111

50 x 33.3cm

Peakmore Sandstone 2112

23.5 x 23.5cm

Mimicking natural sedimentary structures and featuring warming tan tones, Peakmoor Sandstone recreates the organic beauty of quarried sandstone. Using a smaller tile pattern, Peakmoor Sandstone has been designed to compliment both traditional and modern interiors, providing a fresh neutral base for any colour scheme.

Farmhouse Terracotta 2113

16.5 x 16.5cm

This traditional small tile pattern contains a variety of warming umber and orange tones that come together with all of the natural beauty of terracotta. Whether you have a classic rustic interior or simple contemporary space, our Farmhouse Terracotta pattern helps make a house a home.

For more interiors see www.polyflorathome.com/secura

Black Slate

Floorcare tip

Install mats at all entrances to pick up excess dirt and grit which might scratch the floor

CleanShield™
Easy Clean Surface

Black Slate 2114

50 x 33.3cm

The stylish and attractive brickwork design of Black Slate, together with its crisp black and grey tones and pale grout lines gives any interior a modern yet elegant finish. The natural grain of this popular stone floorcovering has been expertly recreated, creating an intense platform for furnishings and fabrics.

Secura
luxury vinyl sheet flooring

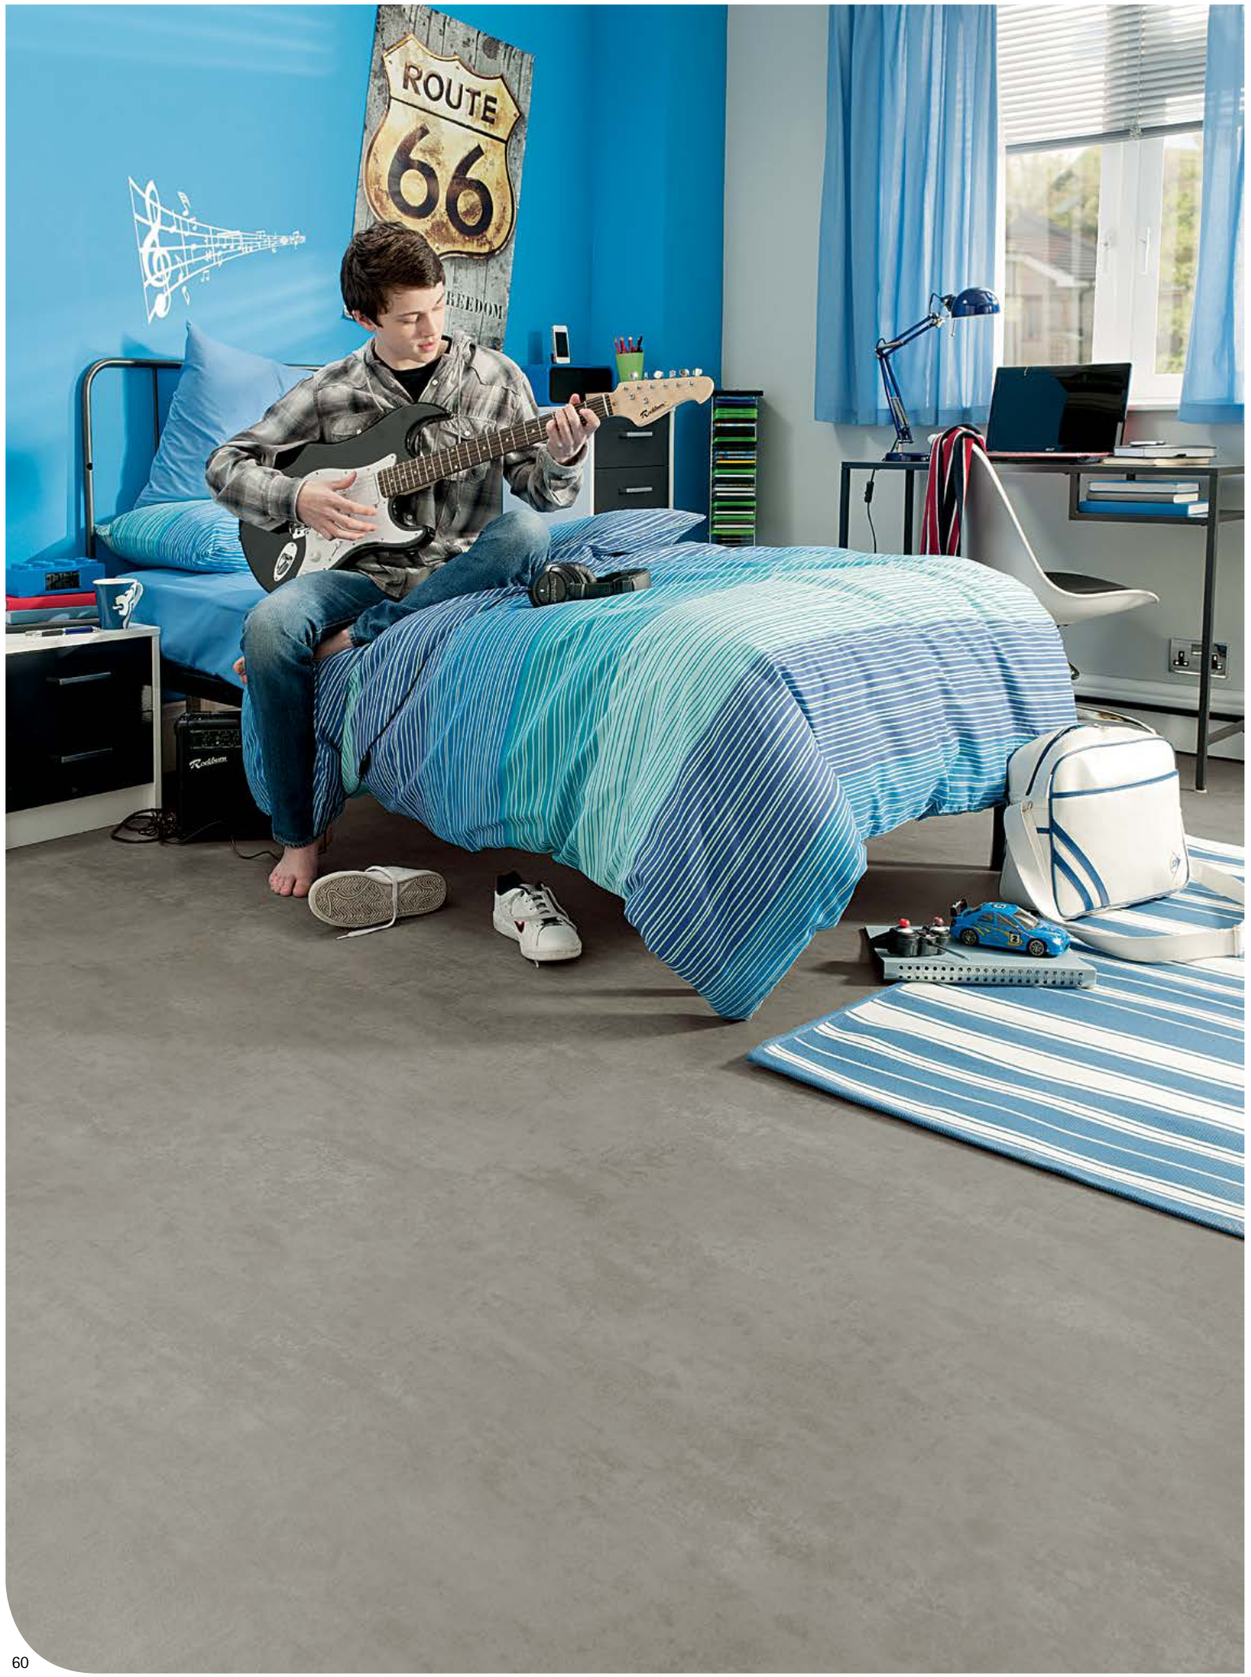
Abstract

Combining modern building materials with the latest interior design trends, the Secura abstract collection includes an exciting array of contemporary floorcoverings, developed to complement a wide variety of styles from chic, urban living spaces to classic family kitchens.

Polished Concrete

Floorcare tip

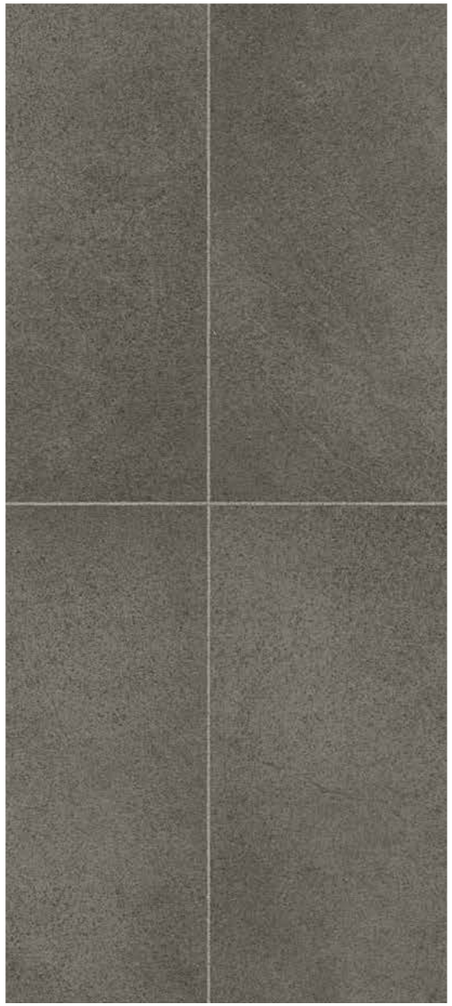
Mop with a neutral cleanser to remove stubborn marks, rinse with clean water and allow to dry

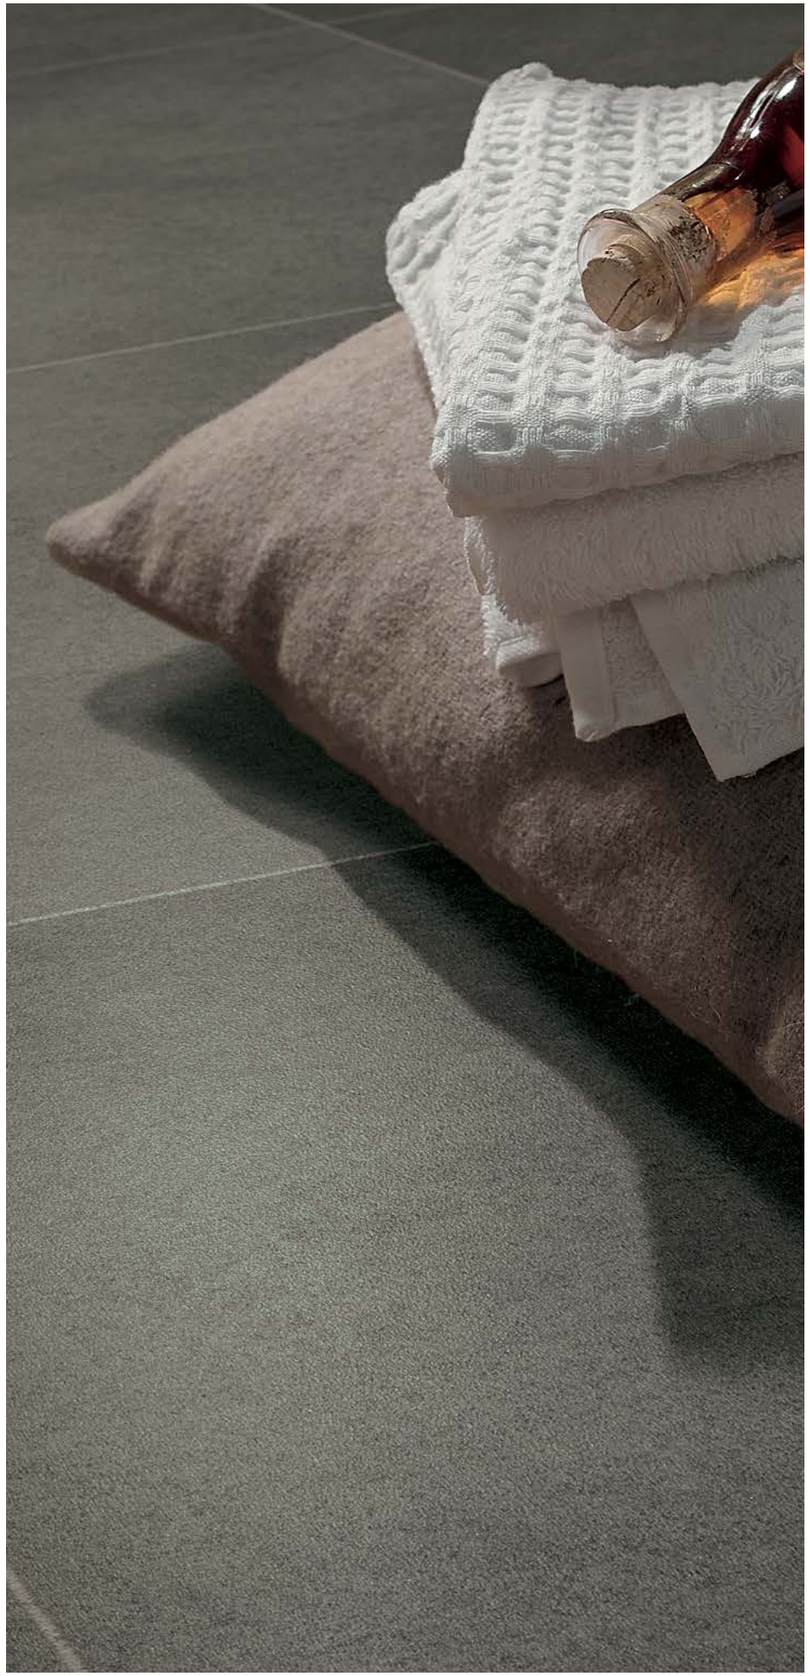


Polished Concrete 2118

Polished Concrete is a contemporary floorcovering designed to evoke a fashionable loft-apartment style in an easy-to-fit, practical format. The cool grey tones combined with warmth and comfort underfoot makes Polished Concrete a realistic yet practical alternative to real concrete in your home.

For more interiors see www.polyflorathome.com/secura





Grey Flagstone 2119

40 x 37.5cm

A modern flooring design that is growing in popularity, Grey Flagstone recreates the dramatic effect of concrete in a large square set tile. Blending deep grey and paler hues with a light grout line, Grey Flagstone has been designed to give any interior a striking, up-to-date and clean finish.

Riviera Taupe 2116

SureTread™
R10 Slip Resistance

The hard-wearing R10 slip resistance level helps to prevent slips in the home and keep you and your family safe.

The light auburn and beige layered tones of Riviera Taupe come together to create an elegant pattern. This attractive textured design creates a complex and elegant floorcovering that is both stylish and fresh, making it suitable for any room in your home.

Riviera Sands 2115

Abstract

Riviera Sands is a delicate pattern that combines textured swirls and veins of varying tones to create a subtle overall decoration. The layers of neutral sand and warming golden hues contained in this floorcovering make Riviera Sands an ideal choice for any home interior from classic time-honoured design to modern avant-garde living.

For more interiors see www.polyflorathome.com/secura

Riviera Bluebell 2117

Drawing from the natural splendour of spring, Riviera Bluebell contains distinctive blue, grey and lilac tones that combine beautifully to create an attractive floorcovering. The practical yet striking pattern is suited to both fashionable high-design settings as well as classically styled interiors.

Linear Ivory 2120

Abstract

The subtle appearance of Linear Ivory is designed to complement an array of interior styles. The soft ivory tones overlaid with linear markings of delicate blues and greys give the floorcovering texture and depth, whilst providing a smooth overall finish that's the perfect backdrop to any furniture or personal touches.

Linear Fawn 2121

The combination of honey, beige and gold tones in Linear Fawn come together beautifully to create an effect that is both eye-catching and attractive. Layers of colour are blended to create the illusion of depth, whilst the textured surface complements the linear grain of the pattern.

For more interiors see www.polyflorathome.com/secura

Linear Charcoal 2122

Linear Charcoal contains a striking contrast of multi-layered grey hues, brought together to create an abstract pattern that will bring any interior right up-to-date. Designed as a stunning base for a modern, contemporary living space, Linear Charcoal help you achieve a high-design finish in your home.

Floorcare

So you can continue to enjoy your Secura floorcovering for years to come, a regular cleaning regime is required to help keep it looking as new. Regular cleaning is more beneficial to the floorcovering and more cost effective than occasional heavy cleaning.

Ensure that you regularly:

- ✓ Sweep or vacuum your floor to remove any dust and loose dirt
- ✓ Mop with a neutral cleanser to remove any stubborn marks, rinse with clean water and allow to dry

Protection for everyday wear:

POLYFLOR PUR LIFETIME POLISH FREE

The Secura collection comes complete with a polyurethane reinforcement (PUR) to protect against everyday wear, however to minimise the chances of your flooring becoming damaged we do recommend the following floorcare guidelines:

- ✓ Install mats at all entrances to pick up excess dirt and grit which might scratch the floor
- ✓ Ensure all cleaners and detergents are diluted as per the manufacturer's instructions. For recommended products for use with Secura, visit www.polyflor.com and go to the product pages

- ✓ Fit protective pads to all furniture legs to prevent scratches when moved across the floor

For more maintenance information see www.polyflorathome.com/secura

*for commercial installations that require sustainable wet slip resistance, refer to the Polysafe ranges.

ENVIRONMENTALLY PREFERABLE FLOORING

Recofloor™ Vinyl Take-Back Scheme

Environmental: Polyflor have demonstrated a high level of commitment over the years to producing high quality floorcovering, whilst minimising our impact on the environment without compromising the performance benefits of our products.

There can be few materials better suited to recycling than vinyl flooring. Secura is 100% recyclable, and can be recycled without loosing any of its performance properties. Polyflor continually works on developing new products and technologies, and constantly evaluates production methods to further minimise our impact on the environment.

VOC EMISSIONS:
Indoor Air Comfort GOLD - Approved
AgBB - Very low emissions
FloorScore - Certified product

BRE GENERIC ENVIRONMENTAL RATING

Refer to BRE Global ratings on www.greenbooklive.com

20 YEARS Guarantee

The Secura collection of luxury vinyl sheet flooring has been developed to meet the highest technical specification of its type. Ideal for all areas of the home, the products ensure high performance and optimum style. In addition, Secura is suitable for moderate commercial applications such as light traffic areas within hotels, conference rooms and small offices. Compared with many natural flooring options, Secura will under normal conditions resist household stains, will not crack, chip or splinter. The manufacturers of Secura are confident that their high quality products will provide many years of valuable service. All products purchased from the range are guaranteed for 20 years in domestic home installations against normal wear and tear in the recommended environment, provided that they have been fitted correctly and maintained in accordance with the manufacturer's instructions. In order to make a claim, customers must apply in writing indicating where the flooring was purchased and provide satisfactory proof of purchase. This guarantee only applies in the event of visible wearing out of the decorative pattern on the surface within 20 years of purchase, providing the flooring has been subject to normal usage in the recommended environment. It does not cover general misuse. Full terms and conditions of the guarantee are available on request from your flooring wholesaler or Polyflor Ltd.

Website and Sample Service

Polyflor have two designated websites which provide a huge amount of product and technical information.
